

SAFETY TIP #6 WHEN WALKING, MAKE EYE CONTACT WITH DRIVERS BEFORE CROSSING THE STREET

Ensure Bus Drivers See You Too!

If you're closer than 10 feet from a bus, the driver might not be able to see you. Avoid the **10-foot danger zone** around a bus! Cross streets at crosswalks and intersections, and **never cross between parked vehicles** or between vehicles waiting at a traffic signal. Look out for one another when bicycling, walking and driving in North Texas!
