

SAFETY TIP #6
WHEN WALKING,
MAKE EYE CONTACT
WITH DRIVERS BEFORE
CROSSING THE STREET

LITTLE SISTER
PRESCHOOLER
WALKS WITH FAMILY

ALI & ADRIANE **LOOK OUT**

Ali and Adriane are North Texans who walk, bike and drive. When walking, they cross at crosswalks and intersections after making eye contact with drivers to ensure they were seen. **They never cross between parked vehicles or traffic waiting at a traffic signal.**

Visit [LookOutTexans.org](https://www.LookOutTexans.org) for more safety tips and to learn how we can all bike, walk and drive safely together.
