## **ON THE ROAD TOGETHER**

Whether bicycling, walking or driving, each of us needs to watch out for our co-workers, neighbors, friends and family with whom we're sharing the road. When driving, allow three feet or more when passing a person bicycling. **Only cross streets at crosswalks, never between parked cars or traffic waiting at a traffic signal.** When bicycling, ride in the same direction as traffic and use hand signals when turning, changing lanes or stopping. [Visit LookOutTexans.org](https://www.LookOutTexans.org) for more safety tips and to learn how we can all bike, walk and drive safely together.
